

# Shoot for the Future

**MVMF Clay Shooting Event**  
**Fri., Sept. 23, 2011**

**Friday, September 23, 2011** – The Minnesota Veterinary Medical Foundation is hosting a fund-raising Sporting Clay Shoot that is open to veterinarians, clients, industry professionals, and friends at the Minnesota Horse and Hunt Club in Prior Lake, MN. Sporting clays is the fastest growing sport in the country. Often called “golf with a shotgun” or “video game for adults” the sport simulates live targets in a natural setting. It’s safe and fun and a terrific way to interact with friends and colleagues alike. All participants will receive free shells and a delicious dinner. There will be games and drawings for fabulous prizes. All proceeds benefit the Minnesota Veterinary Medical Foundation.

The Minnesota Veterinary Medical Foundation helps secure the future of the veterinary medical profession in the state of MN by funding much needed scholarships, public and professional education, as well as projects and organizations which promote the health and well-being of animals in Minnesota. Recipients of assistance from the Foundation include, MVMA State Fair Miracle of Birth Center and MVMA Surgery Suite, FFA, 4-H, Ag in the Classroom, BART, veterinary technician programs and individual scholarships for technician program students and \$25,000 in scholarships for veterinary medical school students.
